

YOUR PREMIUM FOR 2021

The retiree share of the Humana Medicare Advantage Plan premium for 2021 is \$73.77 per month for each person enrolled.

If you are a surviving spouse your monthly premium will be \$147.53.

These amounts are in addition to your Medicare Part B premium. You must be enrolled in Medicare Parts A and B in order to be enrolled in the Medicare Advantage Plan offered by the County.

In December you will receive an Invoice for this amount for the month of January 2021. **Please do not send in any payment before receiving your Invoice.**

If you are utilizing a Sick Leave Bank to pay for your share of the premium you will receive notice in December advising you of your bank balance.

We receive many questions about the Sick Leave Bank. If you leave the County retiree plan to obtain coverage on your own your sick leave bank ends. It can only be used to pay for your share of the plan you are enrolled in through the County.

If a retiree passes away their sick leave bank balance ends. Any ending balance cannot be used by their surviving spouse to pay for coverage.
